

# Elegance Multiple 30

### Trimmed and Trimless Cutout Dimensions

## Description

Elegance Multiple Downlight 30 is a miniature square recessed LED adjustable spotlight with a high-grade aluminum body, providing a high performance 0°-35° tilting head. Available in 34° Medium Wide Beam or 50° Wide Beam angles. Following VLT's Eco Design philosophy, installation is quick and easy installation via concealed springs for snap-in catch action for minimum ceiling thickness. Pre-wired with lead cable and male/female plugs ready to plug-in to power multi or single unit. Available with a modular and tool-free LED engine in single or dual cell units in trimmed or trimless versions.

## Finish

Powder coat in Black, White or Silver.

## Mounting
