Illuminator Accessories - CUSTOM 8-PART COLOR WHEEL

For Roblon Bronze Series 75 Watt Standard Illuminators

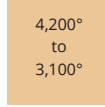

CW/E - Color Wheel/Extended: Colors may be selected ONLY from the Standard and Extended Palette colors shown below. Colors shown are carried in stock and are available within the normal lead time. No Twinkle frames may be included.

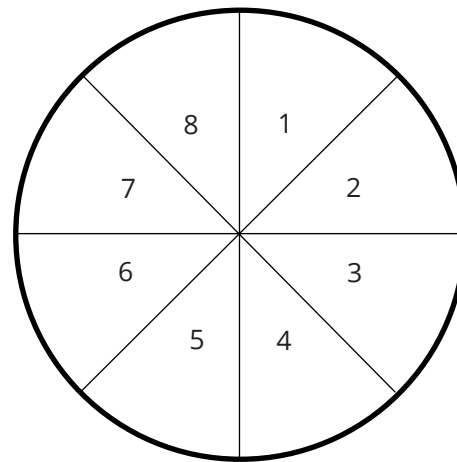

CW/C - Color Wheel/Custom: Select any color. Exact specifications can be made from the Rosco Permacolor Dichroic Filter series. For matches to color specifications from other sources, provide samples or reference numbers; results may vary. Choices may require additional lead time.

TW/CW - Twinkle Wheel/Color Wheel: Select from colors shown below. Add a twinkling effect to individual color frames by checking the Twinkle box next to the appropriate frame. For Twinkle only, leave Color Choice blank.

TW/CD - Twinkle Wheel/Crushed Dichroic: Dichroic filters are crushed and mixed on wheel at random. Make up to 8 selections from colors shown below. Add a twinkling effect to color frames by checking the Twinkle box next to the appropriate frame.

Standard and extended palette colors

				
Clear	Roblon Yellow	Medium Yellow (R31012)	Roblon Yellow	Medium Green (R35055)
				
Lt. Blue Green (R31073)	Medium Blue Green (R35700)	Dark Blue Green (R35400)	Light Blue (R43202)	Medium Blue (R35100)

Color Wheel Type
Check ONE ONLY:

- CW/E
- CW/C
- TW/CW
- TW/CD

Please make a choice for each frame of your color wheel.
(For Crushed Dichroic wheel, colors chosen will be mixed together)

Frame	Color Choice	Twinkle
1		<input type="checkbox"/>
2		<input type="checkbox"/>
3		<input type="checkbox"/>
4		<input type="checkbox"/>
5		<input type="checkbox"/>
6		<input type="checkbox"/>
7		<input type="checkbox"/>
8		<input type="checkbox"/>

Twinkle Frame

Note: Color samples shown are simulations of the colors available, not exact representations. In addition, actual color effect will vary according to the color temperature (°Kelvin) of the lamp used. Number references are from the Rosco Permacolor Dichroic Filter series.
